

Your Customers Will Enjoy Their Deck More With Trex Decking From Curtis Lumber.

Trex®
How outdoor living should feel.

Trex offers natural beauty and barefoot comfort that no composite product can match. Curtis Lumber stocks a broad portfolio of Trex Decking choices, with finishes from subtle to bold, in a wide variety of rich, inviting colors. Trex will never rot, warp or splinter, and requires little maintenance. We're so confident in the durable beauty of Trex, we back it with a 25 year Limited Warranty. With Trex, your customers will marvel at the beauty of your work for years to come, rather than call you back with problems.

**Trex Escapes
PVC Decking**

The Ultimate In Worry Free Outdoor Living.

Engineered of revolutionary cellular PVC technology. Offers unsurpassed stain, scratch and mold resistance, natural beauty that's guaranteed to last, and the convenience of soap-and-water cleaning.

**Trex Contours
Composite Decking**

**Bold Look.
Dramatic Value.**

Trex Contours offers bold, dramatic grain pattern with the casual, barefoot comfort that only comes from Trex. Priced to deliver exceptional value which makes saying goodbye to wood for good and with no splinters!

**Trex Accents
Composite Decking**

**Two Great Looks.
One Great Board.**

Reversible decking with a subtle, wood grain pattern on one side and a smooth, refined look on the other, allows you to create a unique outdoor space. The possibilities are endless, not the maintenance.

**Trex Brasilia
Composite Decking**

**Unrivaled Exotic
Wood Beauty.**

Bring home the rich look and beauty of the rainforests, but leave behind all of the headaches of wood. Brasilia is so simple to install and maintain. Unlike rainforest timbers, there's no oiling, staining or pre-drilling required.
